

Instructions & responsible persons

Individual instrument instructions

(ex. qPCR, Microscopes): see allocation of responsibilities

S3 Cell-culture labs

Responsible person: Hannes Angerer (73514)

Deputy: Heimo Strohmaier (73513)

S2 Cell-culture labs

Responsible person: Hannes Angerer (73514)

Deputy: Heimo Strohmaier (73513)

Radioisotope labs

- General safety instruction: Trevor DeVaney (73840)
- Lab instruments and maintenance: Birgit Reiter (73511)

Histology labs

Responsible person: Karin Bürger (066488961832)

Deputy: Markus Absenger–Novak (73503), Claudia Meindl (73518)

Biomodels

Responsible person: Beate Obermüller (80026)

PCR and gelroom

Responsible person: Karin Bürger (066488961832)

Basic introduction 1 & 2, liquid nitrogen

Responsible person: Hannes Angerer (73514)

Cleaning and disinfectionplan

Responsible person: Theresa Steinkleibl (066488961744)

(only for responsible project staff)

Project and work-place specific instructions (risks, biological safety etc. according §14 ASchG)

Responsible person: projectleader
